BRIEF ABSTRACT OF LETTER.

flag G

Recommends that for reasons expressed by him, the proposals for the reorganisation of his office establishment submitted with his letter No. 1445 dated 7th March 1925, may be considered and that the proposals submitted by him or something approximating to it may be sanctioned.

NOTES AND ORDERS.

The proposed establishment submitted with the Reg letter dated 7th March 1925 gives particulars of the existing establishment, and that proposed by him. The cost which the reorganisation involves is Rs. 918 per annum. After considering these proposals, Govt in their letter No. 69 dated 16th April 1925 ordered that there has not been any substantial increase in the work of the Office of the Reg which justifies the further strengthening of the establishment. Proposals of the Registrar are for strengthening both

Serial No

by the appointment of an additional clerk and for improving the pay of the existing hands. Though any addition to the establishment as it now exists is considered unnecessary the other proposals of the Registrar for improving the pay and prospects of the existing persons, in view of the responsible and difficult nature of the work turned out by it may perhaps be considered. In the concluding para of his letter under disposal, the Registrar recommends that something approximating to his original proposals may be sanctioned.

Submitted for orders with the papers

31/2578 2) Please see flag V. the position statement - In view of the statistical work furnished by the Regr, it does not seem necessary to revise the strength of the establishment, as already ordered by Govt -

The increase of pay proposed, may perhaps be favourably considered:

1) 1 HS Clerk	—	60 - 8 - 100.
2) 1 Clerk		35 - 2 - 45.
3) 1 Typist.		35.
4) 1 Peon		11.

This will involve an increase of Rs 26/8/0 i.e Rs 318/- per annum, over the existing cost of Expenditure on Estt -

Considering the nature of the work in the office of the Head clerk - which requires a person of superior intelligence who can understand from among & legal knowledge appeal in his personal file Regr is raised the scale of pay. As many persons appointed in this place with have no further prospects in the Dept. I think that if scale of pay of this place may be fixed at Rs 50-5-60 so that any one appointed in it may aspire to graduately in the manner of the Head clerk in about 10 years time

The pay of the clerk Typist may also be made progressive as follows

clerk Rs 35-2-45 and

Typist Rs 30-2-4

The addl cost of the above proposals may be calculated and in the meantime Regr Genl's orders final opinion on the proposal

Office of the Registrar of Joint Stock Companies

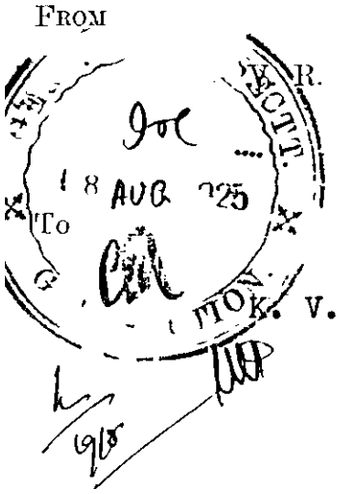
Dated, Bangalore....18:8:....1925.

FROM



V. R. THYAGARAJA IYER, ESQ., M.A.,
Registrar of Joint Stock Companies in Mysore.

J.S. 10-25-1

To

M.R. V. Anantaraman, Esq., B.A.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

With reference to your letter No.IC.6920/I&C.345-24-3 dated 11th April 1925 regarding the revision of the establishment of this office, I have the honour to state as follows:

(1) In Government Order No.8596-9/I&C.93-19-19 dated 15th March 1920, only a Typist on Rs.30 was sanctioned for this office. The appointment of the clerk on Rs.30 was sanctioned temporarily in Government Order No.4970-1/I&C.177-18-7 dated 6th December 1918 and was continued up to the end of June 1920 in Government order No.461-2/I&C.177-18-20 dated 11th July 1919. Therefore Government order No. 8596-9/I&C.93-19-19 dated 15th March 1920 only confirmed the appointment which already existed.

(2) The whole office work has to be attended to by one case worker (Head Clerk) who has to attend to every paper that comes to and goes out of the office and one clerk who has to put up references, keep records and stationery, the Registers under the Companies and Societies Regulations and prepare certificates to be sent to -- Companies and Societies.

(3) In calculating the correspondence of this office the enclosures which are in some cases three or four in number and which run over several pages (e.g. Memoranda and Articles of Association of Companies, Memoranda of Association and Rules of Societies, Special

Special Resolutions, Summaries of share capital and lists of members) have also to be taken into account as they are sometimes more important than the letters with which they are forwarded. As Rule 11 of the Rules issued under Notification No.11002/I&C.6-18-21 dated 12th May 1919 directs that the documents that are received in the office should be scrutinised with a view to find out whether they are in conformity with the provisions of the law and as in some cases one letter with its enclosures takes from 3 to 8 day to be disposed of it has not been found practicable for or person (the Head clerk) in spite of his working overtime t attend to all the papers without delay. The examination takes away much time which is not perceptible as sometimes the records of years will have also to be examined. The correspondence is also highly technical and should not be judged in the same way as the ordinary correspondence of t ordinary offices. The Company Law is very intricate and obscure and as new points frequently crop up papers cannot be disposed of without consulting commentaries.

(4) On account of the limited number of hands in the office there will be times when only particular kinds of work could be attended to. When preparing the Administration Reports, half yearly statements which take away more than one month in a year, when the Memoranda and Articles of Association of Companies and Societies etc., come up for registration no other papers could be attended to. The result will be an accumulation of papers. As Government have insisted (vide your letter No.I.C.6925/I&C.346-24-2 dated 13-4-1925) that the documents should be scrutinised, delays in the disposal of papers will occur.

(5) As Government have observed, there has been a fall in the receipts from fees in the years 1923-24 and 1924-25. But it is submitted that this office work may no be judged by the fees realised as this is not purely a --

revenue earning office. If one company with a large capital is registered it may bring a fee of Rs.1000 whereas 8 companies with small capitals may not on the whole bring that amount; whereas in the one case it is the examination of only one copy of the Memorandum and Articles of Association and other documents and in the other case it is the examination of 8 copies of the Memorandum and Articles of Association and other documents. During the year 1923-24 even though the number of companies registered was not large (being 5 in number) 27 Societies (which is a large number and whose Memorandum and Rules have also to be scrutinised) were registered and the total number of letters received was larger than that received in the year 1922-23. In the year 1924-25 the receipts (correspondence) were 1681 and the issues 1458. If these are compared with the Receipts and Issues given in my letter No.1445 dated 7-3-1925 it will be found that the Receipts are larger than those of any of the previous years, while it is the same case with the Issues also with the exception of the year 1920-21.

(6) On account of the difficulties that the Company law presents, visitors seeking instructions have also increased. They also take a considerable portion of the -- Head clerk's time.

(7) I have the honour therefore to request that the orders already passed by Government may kindly be reconsidered and that the proposal submitted by me in my letter No.1445 dated 7-3-1925 or something approximating to it may be sanctioned.

I have the honour to be,

S i r ,

Your most obedient servant,

Order No

Govt have carefully considered the proposals of the Registrar and they are of opinion that the nature of the work to be done by the Head clerk of his office requires a person of superior qualifications with a certain amount of legal knowledge. Besides they recognise that any person appointed to the place will have no further prospects in the Dept. They are therefore of opinion that the pay of the Head clerk may be fixed at Rs 50-5-100 so that any one appointed as such may rise gradually to the maximum pay of the grade of Rs 100 in about 10 years time. They are also of opinion that the scale of pay of the clerk and the typist may be made progressive in place of fixed as at present.

In the foregoing remarks Govt are pleased to sanction the establishment of the Office of the Regr. Co-op. Societies as shown in the

1) Head clerk 50-5-100

2) Clerk 35-2-45

Typist 30-1-40.
